Infant's remains found in Jefferson County house after blaze

By The Tribune-Review
Saturday, July 14, 2007

Police investigating a house fire found the remains of an infant and were searching for the woman who had rented the house.

The fire that destroyed the Sykesville house was reported about 4 a.m. Thursday. The infant's remains were found about an hour later. Officials have not said how the child died.

Authorities continued to search Friday for Joey Lynn Offutt, 33, who rented the home. Police believe she was driving a red 1994 Saturn coupe with Virginia license plates and visible damage on the hood.
